

# CNC Essentials Honors Course

## The Class

Attention High School Students! Are you interested in learning how to make things with a CNC machine? If so, Machining Training Solutions (MTS) CNC Essentials Honors Course is just for you!

This class will be held online and taught by a Journeyman Machinist. During this class you will have the opportunity to experience the manufacturing industry from conceptual design to making the finished product. Throughout this class you will design and manufacture a perpetual motion wheel.
